

November 26, 2018

Dear Jamaica Village School Families,

Jamaica School Craft Day sponsored by the Jamaica School Club is going to be Monday, December 10th. In order for this fun day to happen we need a lot of help! The more help we get, the more crafts kids will get to make. Please help in as many ways as you can.

Please check the ways that you will be able to help and return the bottom of this form to school. If you have any questions please feel free to call or email me. My contact information is listed below.

This is also my final year of running craft day, so I need to find someone to take it over for next year and to store the craft materials.

Sincerely,
Valerie Bills
