I give my child \_\_\_\_\_ permission to participate in the sports program run by the Jamaica Recreation Committee. I understand that my child attend all practices and games. Parents/guardians need also agree, along with players and coaches, that this season should be an enjoyable experience, yet if any problem does occur, coaches should be addressed with any issue from the player and/or family directly. As always, your child is expected to be a good representative of the Jamaica community. Please inform your coach immediately if anything may arise that could hinder your child from participating appropriately. Every effort will be made to understand, however guidelines still need to be upheld for everyone's safety.

It is agreed that parents/guardians attend the first practice with child to review rules and guidelines, and to meet coaches.
