Dear JVS Families,

This week is Computer Science Education Week and once again JVS will participate in the Hour of Code! The **Hour of Code** is “a global movement reaching tens of millions of students in 180+ countries.” Ask your student what he/she coded and if he/she is interested in becoming a computer science engineer! Please see the attached information sheet to learn more: <https://hourofcode.com/files/hoc-one-pager.pdf>

Thank you to those you came to **Coffee and Conversation** this morning! We had a very productive conversation. I enjoy hearing your feedback as feedback makes us all better!

Barb Hodgkins, dental hygienist, is with us today and tomorrow for **dental cleaning** thanks to generous funding from the Stratton Foundation. If you did not your child up for a cleaning and would like to, please complete the attached paperwork.

Our playground is still covered in wet snow...please remember to send boots and outerwear for recess!

As always, if you have questions, feedback or concerns, please bring them to our attention. By working together and keeping the lines of communication open, we will continue to improve. Thank you.

Enjoy the week.

Your partner in education,

Laura Hazard

Parent/Guardians/Community Members: are you in need of a winter coat? The Stratton Foundation has many, please inquire and we can set you up!

Monday, December 10th, is one of the most fabulous annual days of fun here at JVS, CRAFT DAY!...with the festive spirit and the love our giving our students make it a special day with you help. Please join us by volunteering for this amazing day – info attached.
